June 2026

Southern Iowa Electric Cooperative

A Touchstone Energy® Cooperative

Meet SIEC's 2026 Scholarship Winners

Giving back to the community and investing in the next generation of leaders is part of every electric cooperative's mission. We congratulate all of our scholarship recipients and wish them continued success in their future endeavors.

OUR MISSION:
PROVIDING SAFE, RELIABLE ELECTRICITY

OFFICE:
22458 HIGHWAY 2, PO BOX 70
BLOOMFIELD, IA 52537

Laney Weimerskirch is a graduate of Davis County Homeschool Assistance Program, and the daughter of Robert and Andrea Weimerskirch. Laney plans on attending Iowa State University to study communications.

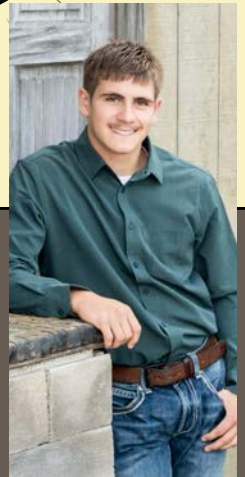

Jace Cheney is a graduate of Davis County High School, and the son of Jeremy and Heather Cheney. Jace plans on attending the University of Iowa to study cinema and screenwriting.

Oliver Kraus is a graduate of Eddyville-Blakesburg-Fremont High School, and the son of Timothy and Gina Kraus. Oliver plans on attending Iowa State University to study electrical engineering.

Hank Bulechek is a graduate of Davis County High School, and the son of Kevin Bulechek and Sarah Miller. Hank plans on attending DMACC to study electric utility technology.

Cason Young is a graduate of Davis County High School, and the son of Joe and Amy Young. Cason plans on attending DMACC to study electric utility technology.

SIEC will be closed on Friday, July 3rd for Independence Day

"You're off to great places. Today is your day! Your mountain is waiting, so... get on your way!" ~ DR. SEUSS

ELECTRICITY 101

To stay safe around electricity, start with these **SEVEN** basic tips:

- **1. DON'T OVERLOAD OUTLETS OR CIRCUITS**
Plugging in too many items or drawing too much power on a circuit can cause overheating, fire, and damage to devices.
- **2. DON'T USE FAULTY ELECTRICAL CORDS OR PLUGS**
Do not use cords that look frayed, worn or cracked. Do not use broken plugs. Never remove the grounding pin from a three-pronged plug.
- **3. HAVE YOUR ELECTRICIAN'S NUMBER IN YOUR PHONE**
Most electrical repairs or installations are not DIY projects. Hire an expert to avoid serious injury or wiring problems.
- **4. BE CAREFUL AROUND H₂O**
Never use electricity while standing in damp or wet conditions. Keep all electrical devices away from water, including cell phones that are charging.
- **5. EVALUATE YOUR APPLIANCES**
Do not use appliances in disrepair. Older or broken appliances can overheat, start a fire, and cause serious injuries.
- **6. TEST YOUR GFCIs**
Outlets near a water source should be equipped with GFCIs, which help prevent shock and electrocution caused by ground faults. Test monthly to make sure they are working.
- **7. MAKE SURE YOUR HOME IS UP TO CODE**
Your home should be properly wired and electrically sound. Contact a reputable electrician to evaluate your home.

Nominate a local volunteer and they could win \$3,000 for their charity!

Contest entries accepted in June at
IowaShineTheLight.com

SIEC members, employees and retired employees are once again able to nominate a local volunteer who is making a positive difference in the community. Nominations will be accepted June 1-30, 2026. A panel of judges will select three winners from Iowa electric co-ops. A donation of \$3,000 will be made in each winner's name to their local charity or community organization. Nominees DO NOT have to be co-op members. Non-winners nominated previously are eligible to be nominated again. Minors can be nominated with consent from their parents or legal guardians. The winners will be announced via social media in early September and featured in the Iowa Electric Cooperative Living magazine. Complete rules are available at: www.IowaShineTheLight.com.

UNCLAIMED CAPITAL CREDITS

Southern Iowa Electric Cooperative, Inc.

One advantage of belonging to a rural electric cooperative is receiving your share of Capital Credits. Any earnings left over after all expenses and/or reserves are paid are allocated back to members as Capital Credits. Capital Credits represent your share of the ownership and become part of the capital investment in your cooperative. Capital Credit allocations are based on the cooperative principle of business at cost. The following is a list of former members whose checks have either been returned to us or not cashed. If you know any of these people and they were members in 2007, 2008 or 2024 please have them contact our office so we can refund their capital credits to them.

SIEC'S E-BUSINESS SITE ON YOUR PHONE

If you're having trouble accessing your SIEC online account from your phone, try the following steps:

1. Go www.sie.coop.
2. Click the green "Pay My Bill" tab.
3. At the bottom of the page, click the green "Settings" icon. 
4. This will take you to the **Application Settings** page.
5. Under **Usability**, click the blue tab labeled "Desktop site."
6. You will then be taken to a new **Sign In** page where you will enter your username and password. Click the "Sign In" tab.

Once logged in, you'll be able to access e-business account features such as: view past and current bills, make a payment, review your usage, etc. You are always welcome to call our office for assistance.
